

REMARKS

Restriction Requirement

The present application has been made subject to a Restriction Requirement with a mailing date of July 8, 2004. In particular, claims 1-35 are pending in the present application, and the Examiner has required restriction to one of the following inventions under 35 U.S.C. §121:

- I. Claims 1-23, drawn to an archery bow and limb, classified in class 124, subclass 23.1.
- II. Claims 24-32, drawn to a mold for forming a bow limb, classified in class 206, subclass 233.
- III. Claims 33-35, drawn to a method of manufacturing a bow limb, classified in class 264, subclass 239.

Without acquiescing in the restriction or the assertions made in support thereof, Applicant hereby elects the claims of Group I (claims 1-23). Claims 24-35 have been cancelled without prejudice to consideration in a continuing application.

Specification Amendments

Applicant has amended the specification to correct certain clerical errors of a typographic nature. These amendments are not made for purposes of patentability.

Reconsideration of the present application as amended is respectfully requested. If there are any remaining issues that can be addressed by phone or otherwise, the Examiner is invited to contact the undersigned directly.

Respectfully submitted,

Charles J. Meyer
